

## **Candidate Watch**

We are proud of the relationships we have built up with many organisations and know only too well the importance Companies put on securing the right talent for their organisation.

To enable us to further support our Clients and through our intelligent and continuous candidate monitoring, we are pleased to offer our unique service called **Candidate Watch**.

You will receive the following benefits by registering with us the type of candidates you look to hire.

- Maintain a close watch on the market for your ideal candidates.
- Keep you informed of forthcoming availabilities.
- Keep you informed of market pricing.
- Provide you with a continuous stream of relevant applicants, when required.

To register your interest, please submit to us your ideal candidate requirement.
