

Strata Consulting Referral Scheme

If you know of anyone who you think we should speak to, then please refer them to us.

When your referral is subsequently placed, you will receive the following:

Permanent - £500.00 after 1 month continuous service

Contract - £350.00 after 2 months continuous service

Alternatively, we can make a donation to your chosen charity for the corresponding amount and Strata Consulting will donate an additional £100.

Please E-Mail your referral to us, where you will be given a unique reference number in order to track the progress.
